'Kokomo' keeps Beach Boys atop US chart

NEW YORK November 10, AP: "KOKOMO" and the Beach Boys stayed on for the second week in a row Wednesday at the top of the single pop record charts in the United States.

The Escape Club's "Wild, Wild West" moved up one notch to second place on the Cash Box Magazine chart, while Bon Jovi's "Bad Medicine" hopped from fourth to third position.

Last week's Number Two hit, "Groovy Kind of Love" by Phil Collins, toppled to seventh. "How Can I Fall" by Breathy jumped onto the Top 10 list, up from 11 to 9. The week's only other newcomer was a double-header—"Baby, I Love Your Way" and "Freddie Medley (Free Baby)" by Will To Power, up from 13 to 10.

As for the Country-and-Western singles, Southern Pacific's "New Shade Of Blue" took over the top of the Cash Box Magazine chart. "Runaway Train" by Rosanne Cash was second, and "Desperately" by Don Williams was third.

Compiled for the Gleaner by Howard McGowan

Flourgon Run Things

The Gleaner Top Ten compiled for the week ending November 5, shows Red Man International with yet another No. 1 song, this time its Flourgon's "We Run Things".

The sensational news however must be the rise of Lovindeer's "Wild Gilbert" into the No. 3 slot from the Shots to Watch section a week ago.

With this sort of movement the stay at the top for Flourgon may well be a very short one as "Wild Gilbert" continues to turn over the cash registers keys.

With the success of Flourgon it marks the first solo effort by a DJ to top the chart for some time.

DJ Ninja Man has done so twice but both times in the company of singers. Firstly, it was on "Protection" with Courtney Melody and then "Take Time to Know Her" with Tinga Stewart.

Lovindeer's "Wild Gilbert" is the week's only newcomer and this one came in at the expense of "Crusing" by Kotch.

The second Flourgon entry "One Foot Skank" on the Techniques label is falling, but Flourgon is right there in the Shade to Watch

2. (1) Orinoco Flow-Enya-WEA
3. (1) First Time-Robin Beck-Mercury

4. (7) Stand Up For Your Love Rights-Yazz-EIG Life

mightily Jammys label could give him another Top Ten hit soon. Admiral Bailey's "Original Della Move" is moving up the chart now sitting in the No. 7 spot against 10 the week before.

The sole foreign entry continues to be former chart-topper "One More Try" by George Michael.

The chart is just about even in the amount of singers and DJs in the Top Ten.

Below are the songs with last week's position in brackets.

1. (3) "We Run Things", Flourgon: Red Man International.
2. (1) "Rumours", Gregory Isaacs: Music Works.

3. (4) "Wild Gilbert", Lovindeer: TSO.

"Girl You Know It's True" by Milli Vanilli slipped down one spot to No. 3, followed by "Stand Up For Your Love Rights" by Yaz and "Missing You" by Chris de Burgh.

Gleaner Top Ten

Compiled for the Gleaner by Howard I.

Lovindeer is 'Wild'

The Gleaner Top Ten compiled for the week ending November 19, shows one new entry and very little change otherwise.

Lovindeer's "Gilbert" is still wild enough to be NO. 1 and all the others seem to be struggling in its wake.

All but Whitney Houston's "One Moment in Time" which has forced itself onto the charts from nowhere the week before.

This song, a typical Whitney song, comes in at NO. 8 and has all the makings of a top single.

The very limited positional changes once again are due to the fall in sales which should again pick up as the holiday season nears.

Blasting its way onto the chart in the manner "Wild Gilbert" did it was going to take a big seller to topple this one. If the present trend continues then "Wild Gilbert" could rule for a long time.

Tinga Stewart and Ninja Man the hottest combination around, having scored a NO. 1 hit with "Take Time to Know Her" and now sitting in the NO. 3 slot with "Cover Me" is all the rage in the Shots to Watch section with "Save the Last Dance For Me" one that could hit the main chart very soon.

Former chart topper "Duck" by Red Dragon is only just holding on and could find itself off the charts next week.

Below are the songs with last

- (1) "Wild Gilbert" by Lovindeer.
- (2) "We Run" by Red Man International.
- (3) "Cover Me" by Tinga Stewart and Ninja Man.
- (4) "Return of the Supreme" by Supreme.
- (5) "Rumours" by Music Works.
- (6) "One Moment in Time" by Whitney Houston.
- (7) "Original Admiralty" by J.
- (8) "One Big Powerhouse" by Billy Ocean.
- (9) "Duck" by Red Dragon.
- (10) "Shots to Watch" by Trevor Last Dance for Me and Ninja Man.

Gleaner Top Ten

Compiled for the Gleaner by Howard McGowan

The 'wild one' holds on

The Gleaner Top Ten compiled for the week ending November 26, shows two new entries to the main chart and one to the Shots to Watch section.

The first two songs have retained their places of a week ago with Lovindes - "Wild Gilbert" again making it to the NO 1 slot but with far less impact of a week ago.

The writing could well be on the wall for this one of the fastest selling singles of the year.

Sitting in the NO 2 position is Flourgon with "We Run Things", this one week chart topper could find itself on top of the heap again.

On the Red Man International label this marks the first NO 1 for the DJ who is in top demand at the moment.

Red Man could have a second entry soon with "Slow Down" by Frankie Paul. This is the new comer in the Shots to Watch section this week.

The two new comers to the chart are "All I Need to Know" by Glen Jones in the NO 7 position and "Bye Bye Love" by Trevor Sparks in at NO 8.

Off the chart this week are two former chart toppers, "Duck" by Red Dragon and "Rumours" by Gregory Isaacs.

Of interest is the fact that three songs on the chart begin with the word one: these are "One More Try" by George Michael, "One Moment in Time" by Whitney Houston, and "One Big Family" by Half Pint.

There are also three foreign entries the most in many weeks as apart from Whitney Houston and

George Michael there is Glen Jones with "All I Need to Know".

Below are the songs with last week's position in brackets:

- 1 (1) "Wild" — Lovindes TSOJ
- 2 (2) "We Run Things" — Flourgon
- 3 (4) "Return of the Don" — Pinch ers Supreme
- 4 (3) "Cover Me" — Tinga Stewart and Ninja Pickout
- 5 (7) "Original Della Move" by Admiral Bailey Jammies
- 6 (8) "One Moment in Time" — Whitney Houston
- 7 (—) "All I Need to Know" — Glen

Jones Arista
8 (—) "Bye Bye Sparks Jammies"
9 (6) "One More Michael Columbia"

Gleaner Top Ten

Compiled for the Gleaner by Howard McGowan

Carbon Copy

The Gleaner Top Ten compiled for the week ending December 3, shows no new entry to the main chart and only one to the Shots to Watch section.

On a week with very little or no movement the unique situation occurred where all ten songs retained their position of a week ago.

In short the chart this week is a carbon copy of the one last week. "Wild Gilbert" by Louinder is still king of the heap with "We Run Things" by Flourgon right there in position No. 2.

The new entry in the Shots to Watch section is "Bounce" by Flourgon giving this hot DJ a chance of having two songs on the chart. "Slow Down" by Frankie Paul continues to burn in the Shots to Watch section and could make its way into the main chart soon.

The singers with six solo entries maintain their edge over the DJs as

they are also involved in a duet with a DJ.

Below are the songs with last week's position in brackets.

- 1 (1) Wild Gilbert, Louinder, TSOJ
- 2 (2) We Run Things, Flourgon, Red Man International
- 3 (3) Return of the Don, Pinchers, Supreme
- 4 (4) Cover Me, Tinga Stewart and Ninja, Pickout
- 5 (5) Original Della Move by Admiral Bailey, Jammys
- 6 (6) One Moment in Time, Whitney Huston, Arista
- 7 (7) All I Need to Know, Glen Jones, Arista
- 8 (8) Bye Bye Love, Trevor Sparks, Jammys
- 9 (9) One More Try, George Michael, Columbia
- 10 (10) One Big Family, Half Pint, Powerhouse

Shots to Watch: "Slow Down" by Frankie Paul, "Bounce" by Flourgon and "Colour of Love" by Billy Ocean.

The Top Ten is compiled from sales by leading record shops and is a consensus. The shops which assisted this week are, Disco Land Off-The-Record, Derrick Harriott, Techniques Randys, Mid Town Record, Aquarius and Arabic Records.

Your Horoscope

ARIES (March 21-April 19): You need to finish certain letters and get them on their way. A money gift could help mend a rift. Take good care of your health. Give a romance another chance.

TAURUS (April 20-May 20): All of a sudden things are falling into place again! Be careful not to tread on someone's ego today. Your personal relationships are on a smoother course than in the recent past.

GEMINI (May 21-June 20): Your mind is flooded with details today. How well you can sort them out will determine your level of success. A research project develops. You could find some important answers. Consult with experts.

CANCER (June 21-July 22): Keep your nose to the grindstone and you can score major financial and career gains today. Entertaining at home proves more fun than going to someone else's house. Sign important papers.

LEO (July 23-Aug. 22): You have been under a lot of stress lately. Some physical activity will help you relax. Romance begins to sparkle. A candid conversation leads to new rapport with someone special. Keep secrets.

VIRGO (Aug. 23-Sept. 22): Do not take on more than you can handle. Devote your energies to projects already under way. Loved ones are happy to go along with your plans. You enjoy your leadership role.

LIBRA (Sept. 23-Oct. 22): A lack of cooperation will make you work harder on your own. Pay more attention to details to prevent costly mistakes. Offer assistance to a friend or neighbour in need. Give practical help.

SCORPIO (Oct. 23-Nov. 21): Do not waste your time and cash on unproductive ventures. Working at home is a good idea when dealing with figures. Arguments with mate can be settled quickly if you are more diplomatic.

SAGITTARIUS (Nov. 22-Dec. 21): Discard outmoded methods to increase profits. Teamwork is favoured. Try to satisfy the demands of a critical higher-up. This is no time to appear vague. Have a definite opinion to offer.

CAPRICORN (Dec. 22-Jan. 19): Not a good day to make new moves. Be content with recent gains. Promises may not be kept. Bide your time. Entertaining at home is less expensive and more intimate than going out.

AQUARIUS (Jan. 20-Feb. 18): Financial affairs are especially sensitive now. A revised budget will help you cut back on unnecessary spending. Romance looks happy. A shorter trip leads to a new understanding. Protect your privacy.

PISCES (Feb. 19-March 20): Push hard to complete tasks at place of employment. Ignore co-workers who spend their time gossiping or goofing off. Good work will not go unrewarded. Personal problems are easier to resolve.
